

▼ M A X COMMUNITY MAXIMIZERS

What are the Community Maximizers?

- Community Maximizers are individuals that want to contribute to improving the health and well-being of guys into guys in Ottawa.
- Community Maximizers propose an idea or a project and MAX pays for the materials or fees associated to the project!
- The project has to be driven by you, but don't worry MAX will be there all along to support you throughout your project.

What type of projects are eligible?

Community Maximizers projects should respond to one or more of the following:

- To engage guys in fun and meaningful ways to create social connections.
- To create community awareness, education, and call to action.
- To increase the visibility of guys into guys in our communities.
- To contribute at reducing social barriers faced by guys that are into guys.
- To pilot activities that could eventually become larger community projects/initiatives
- To foster community partnerships and collaboration.
- To focus on guys within our community who face increased oppression (i.e.: trans, two-spirit, refugees).

Who can apply to become a Community Maximizer?

- The Project Lead is an individual that works, socializes, or lives in the greater Ottawa area (the Champlain LHIN region, see attached map).
- The Project Lead is a guy who is into guys or an ally of our communities (Projects led by guys into guys will be prioritized).
- Applicants can submit multiple applications for different projects, however, applicants will not receive funding for more than one project.

What is the maximum contribution for a project?

- The maximum contribution for a project is \$1000. The amount allocated to a project will depend on goals and projected outcomes of each specific application.
- Funds will be distributed based on availability.

At MAX, we commonly use the terms “guys into guys” or “GBT2Q”. These are meant to define gay, bisexual, two-spirit, queer and other guys who are into guys, whether cis or trans.

How many projects will be funded?

- The total number of projects funded in 2017 will depend on how many projects meet funding criteria, how much funding each project requests and which applicants are chosen.

What are eligible expenses?

- Costs associated directly with the implementation of the approved project (Including but not limited to):
 - Materials needed for programming
 - Costs associated in helping participants access activities (i.e.: Bus tickets)
 - Advertising / promotional materials
 - Expenses will be reviewed on a case by case basis.

What are ineligible projects/expenses?

- Activities or events that their sole nature or purpose is fundraising.
- Activities already fully funded by other sources.
- Gifts, alcohol or flowers for individuals or groups.
- Financial assistance to individuals.
- Wages and/or honorariums for project leads.
- Expenses made prior to the approval of the project.

*MAX encourages community leaders to apply for diverse sources of funding to sustain their projects. Community leaders with current or potential funding will not be removed from the selection process.

*Projects can take place in whichever language the Project Lead considers best. However, MAX's documentation and support will only be available in English and/or French.

At MAX, we commonly use the terms "guys into guys" or "GBT2Q". These are meant to define gay, bisexual, two-spirit, queer and other guys who are into guys, whether cis or trans.

When is the Application Deadline?

- The first round of applications must be submitted by July 7th, 2017.
- The second round of applications must be submitted by November 10th, 2017.
- All projects must be completed and final reports and claims submitted no later than February 18th, 2018.
- When the organization will have used all its allocated funding for community projects, we will keep all post applications for review in the next fiscal year.

How will projects be selected?

- Applicants will submit an application that identifies their project idea, their potential partners, and their projected budget/expenses. If the project meets the program criteria's, the application will be passed to the selection committee, composed of community members, MAX staff and boards members.
- MAX is committed to working with our communities and can offer further support in completing or finalizing a project proposal.
- The successful candidates for the first round of applications will be notified by August 15th, 2017.
- The successful candidates for the second round of applications will be notified by December 8th, 2017.
- Names of the applicants will not be released during the selection process.

If successful, when will the applicant receive their funding?

- Successful candidates will not receive funds directly to purchase materials for programming. Successful candidates will be asked to go through the Community Engagement Coordinator to facilitate purchases or produce cheques, if need be.

What will be required from the participant once the project is accepted?

- Program Leads will be expected to deliver and reach the goal as outlined in the application.
- The Program lead will have the opportunity to expand its leadership skills and knowledge of working by the community by participating in the MAX 101 volunteer training
- Program leads will be expected to demonstrate ethics, integrity and confidentiality as outlined by MAX.

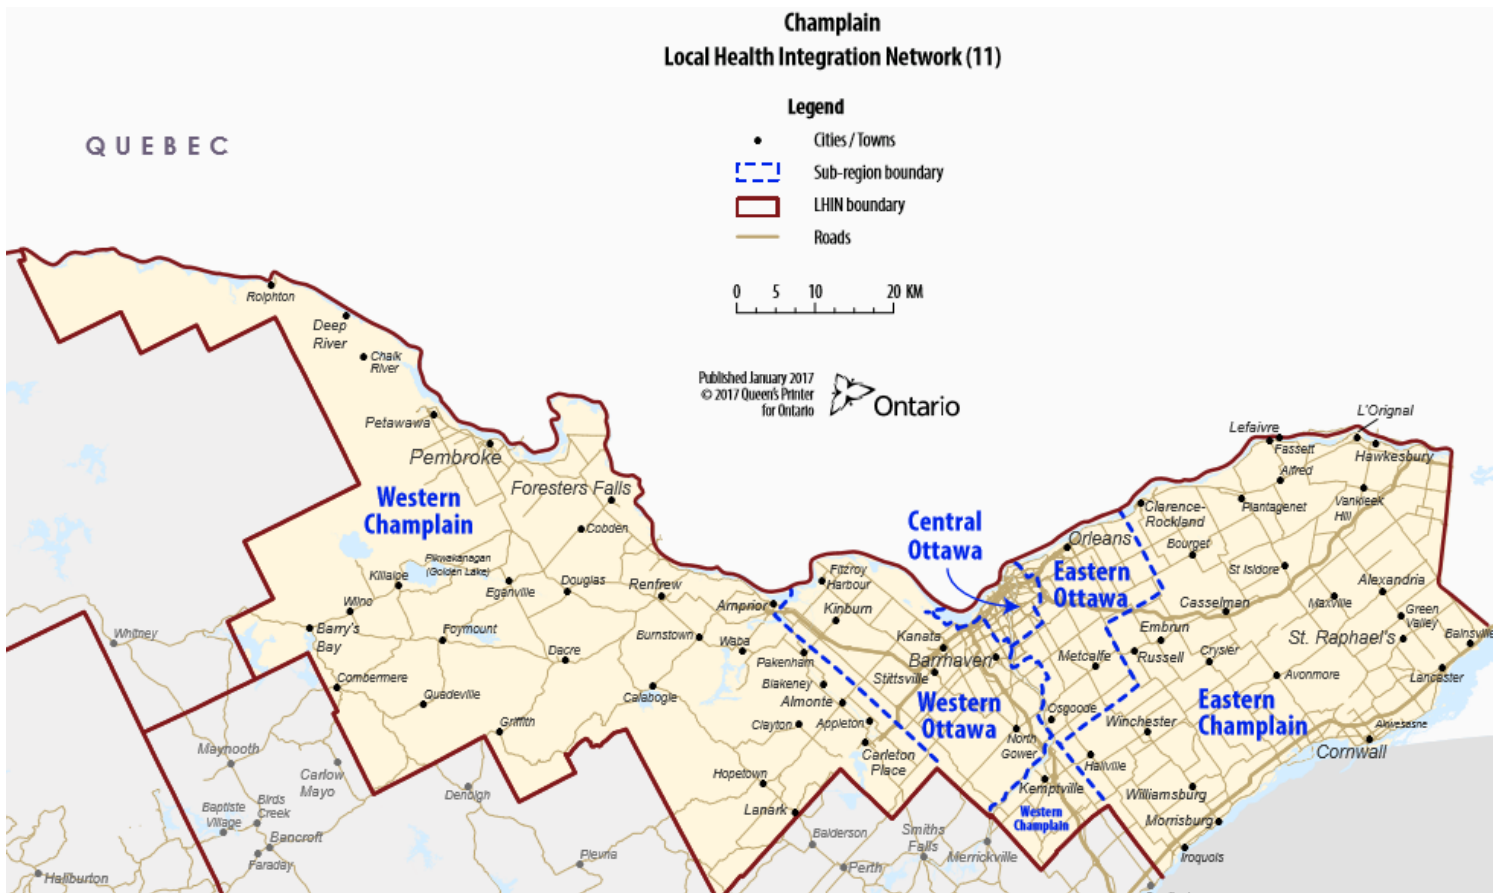

At MAX, we commonly use the terms “guys into guys” or “GBT2Q”. These are meant to define gay, bisexual, two-spirit, queer and other guys who are into guys, whether cis or trans.

- All projects will be expected to follow as outlined the organisations diversity policy.
- Participants will be expected to submit a final report and have all expenses be completed by no later than February 18th, 2018.

Materials incurred during a micro-grant project will be expected to stay within the community after the project deadline. MAX will not be responsible for recuperating materials once the project is complete.

MAX is committed to working with our communities and will offer support throughout the development of the projects.
